# MFI-CEOs' Workshop

## COVID-19 PANDEMIC

AND

## ROLE OF NMBA

19-21 Mangsir 2077

Sauraha, Chitwan

### Overview

After almost a year of work in tense situation and socializing online due to COVID-19 pandemic, the CEOs are invited to come together as a peer group offline and deliberate on the role of NMBA yet maintaining the social distancing. This two overnights residential event has been planned blending the recreation and business agenda together. The CEOs will have opportunities for formal and informal interactions on the current state of the microfinance sector and suggesting on necessary steps by the MFIs individually as well as collectively in the form of NMBA. The event will prove to be an energizer for all to move along with the COVID -19 pandemic.

## Design

The main part of the workshop would be an independent expert presentation on the captioned topic upon which a three member panel of NMBA Executives and Members will comment. **Dr. Nara Hari Dhakal**, a seasoned Banking and Financial Expert (PhD in Economics) will make the expert presentation.

We plan to have an intensive discussion on the Role of NMBA where the CEOs are invited to put forth their views and opinions. The event will also be utilized in reviewing the MFI code of conduct and sharing the experience of the Rwanda Study Tour (Magh 2076).

The NRB officials have been invited for inauguration of the workshop.

## Fee

Option A: NPR 15,000 (single occupancy basis)  
Option B: NPR 12,000 (twin-sharing basis)  
Per participant to cover full-board accommodation in a 4-star hotel and all program events.
